

Year 6 | Issue 6 June 2024

"Nothing is impossible. The word itself says 'I'm possible!'"

Audrey Heburn

Year 6 June 2024

Summer 2 is finally upon us. It's the last half term for our industrious Year 6s. Please take time to look at the timetable below: we have a lot of visits and trips crammed into this half term.

Key Dates

Homework and Spellings

Each week, one piece of Maths and one piece of English homework will be set on Google Classroom. Paper copies of weekly spellings will be given out in class, but an electronic copy can also be found on Google Classroom.

Each half term, a homework grid, with a Science and Topic focus, will be uploaded to Google Classroom. Children will be expected to self-select activities from the grid to complete throughout the half term. This work can either be brought into school on paper or photos can be uploaded to Google Classroom.

Homework will be set on a Friday and due in the following Friday.

Trips and Visits	Class		
	6E	6B	6W
Hepworth Gallery	Wed 5 th Jun (PM)	Fri 7 th Jun (PM)	Wed 5 th Jun (AM)

PE Lessons

Class 6W Low Road – Monday and Thursday

Class 6B Windmill – Monday and Friday

Class 6E Windmill – Wednesday and Friday

English

In Year 6, pupils will be creating a 'How To Survive SATs' guide Then, moving on to writing their own anecdotes. Finally, we will be studying *The Highwayman*.by Alfred Noyes.

Maths

For this half term, we will be consolidating previous learning. We will also be using calculators in readiness for Y7.

Science

In Year 6, children will be learning about 'Evolution and Inheritance.' In this unit, we will look at the famous scientists Mary Anning and Charles Darwin. We will look at offspring and how they are similar to their parents. We will also delve into fossils and learn what they can tell us about animals.

Topic

For our last Topic unit, we will look at the impact of War, with a focus on World War 2. Memorials, evacuation, the role of women and propaganda are just a few areas we will delve into.
