

## Science

### Evolution and Inheritance

- recognise that living things have changed over time and that fossils provide information about living things that inhabited the Earth millions of years ago
- recognise that living things produce offspring of the same kind, but normally offspring vary and are not identical to their parents
- identify how animals and plants are adapted to suit their environment in different ways and that adaptation may lead to evolution

Rule of law – carry out enquiries

## Geography

### Our World in the Future

- To plan and carry out fieldwork to answer a given enquiry question
- To understand how and why housing needs change over time
- To understand the importance of local work opportunities to the community
- To understand that communities need a range of accessible amenities and public services
- To understand how the geography of communities affects community spirit
- To plan for a sustainable future for our area

## Maths

### Algebra

### Area and Perimeter

### Statistics

See individual teacher's Medium Term Plans for specific objectives and outcomes.

## Art

### Printing

- Explore the etchings of Konstantin Kalinovych and replicate technique using aluminium foil printing for very simple designs
- Use sketch books to record observations and use to review and revisit ideas.
- Design a stencil and explore the technique of screen printing including overlay patterns
- Using Styrofoam create an accurate pattern, showing fine detail and building up layers of colour

Individual Liberty – express yourself through art

## Year 6 Overview

### Summer 1

Low Road and Windmill  
Music Federation

## English

### Focus on SATs revision: Grammar and reading skills

See individual teacher's Medium Term Plans for specific objectives and outcomes.

## Computing

### Animation

Create animation

Then make music and sound fx to go with it

## PE

### Fitness

- To develop an awareness of what your body is capable of.
- To develop speed, strength and stamina.
- To develop co-ordination through skipping.
- To perform actions that develop agility.

### Rounders

- To develop the bowling action and understand the role of the bowler.
- To develop batting technique.
- To make decisions about where and when to send the ball to stump a batter out.
- To develop a variety of fielding techniques and when to use them in a game.

Rule of law: follow the rules of the game

## PSHE

### Relationships and health education: Healthy relationships

- To consider different attitudes and values around gender stereotyping and sexuality and consider their origin and impact
- Learn what values are important to them in relationships and to appreciate the importance of friendship in intimate relationships

Mutual Respect: Listening to others opinions

## Music

Have access to an extracurricular choir.

Practice in small ensemble lessons;

- Brass students will learn up to a full octave and play melodies of 6 notes including leaps of varying degrees.
- String students will combine instrumental skills and new rhythms to explore a variety of more complex pieces. Students will also begin to work on music that has more independent parts for each instrument.

## Spanish

### Areas to cover:

- Time
- Musical Instruments

## Trips and Visits

6B – Lineham Farm visit - Monday 20<sup>th</sup> May – Wednesday 22<sup>nd</sup> May

6E – Lineham Farm visit – Wednesday 22<sup>nd</sup> May – Friday 24<sup>th</sup> May
